Your Messages

Using Dial Code/Button Features

Call PARTNER Voice Messaging	Intercom 7 7 7 or programmed Voice Mail Auto Dial button
Turn voice mail coverage on and off	Programmed VMS Cover button
Send calls to your mailbox without ringing your extension first	Programmed DND button (and VMS cover button, if applicable) and VMS Coverage must be on
Transfer callers to another subscriber's mailbox	Control 1 4 or programmed Voice Mailbox Transfer button, then dial the extension number

Personalizing Your Mailbox

Choosing Call Answer Mode (Release 3.0 or later)	 Call Answer Mode determines whether the system allows callers to leave a message after listening to your personal greeting. Your mailbox is factory set to allow callers to leave a message after listening to your personal greeting (Record Mode). You can change your mailbox to Answer-Only Mode when you cannot respond to messages left in your mailbox for an extended period of time. Although callers will be unable to leave a message, five seconds after hearing your personal greeting, they have the option to transfer to the receptionist or another extension for assistance before the system disconnects the call. Log into PARTNER Voice Messaging. Press 1 to choose Call Answer Mode. Do one of the following: Press 2 for Answer-Only Mode.
Recording Your Personal Greeting	 You can record a personal greeting of approximately one minute. Keep in mind that the Call Answer Mode (Release 3.0 or later) specified for your mailbox determines the options available to callers hearing your personal greeting, so you may want to prompt callers accordingly. When your mailbox is set to Record Mode, callers hearing your personal greeting can do the following: Leave a message after listening to your personal greeting. Enter I while listening to your personal greeting. Enter I at any time to transfer to the receptionist.

Personalizing Your Mailbox

Recording Your Personal Greeting (continued) When your mailbox is set to Answer-Only Mode, callers must do one of the following within five seconds after your personal greeting has finished playing:

- Enter 🖬 🛿 while listening to your personal greeting to transfer to another extension.
- Enter **1** at any time to transfer to the receptionist.
- 1. Log into PARTNER Voice Messaging.
- 2. Press **1** to administer your personal greeting.
- 3. Press 1 to record your personal greeting and lift the handset.
- 4. After the tone, record your personal greeting.
 Example: "This is Joe Conlin. I'm in the office today but away from my desk. To transfer to another extension, press I I now. If you would like to talk to the receptionist, press I. Otherwise, please leave your name, phone number, and a brief message at the sound of the tone."
- 5. Press 1 after recording.
- 6. Choose an option:
 - Press 🛚 🗰 to approve the greeting.
 - Press 2 3 to play back the greeting. Repeat Step 6.
 - Press **2 1** to re-record the greeting. Go to Step 4.
 - Press **1**7 to exit. This action restores the factoryset prompt.

Note: If you hang up before saving your personal greeting, the system returns to the factory-set personal greeting.

Personalizing Your Mailbox

Changing Your Password	 Log into PARTNER Voice Messaging. Press I to change your password. Enter four digits for the new password and press I. Enter the new four-digit password again and
	press 📕.
