**NOTES:** Use only with high quality rechargeable AAA NiMH batteries or Cobra® FA-BP battery pack. Cobra® recommends your radio to be off while charging. Estimated operation time on full charge: 15 hours.

30 day warranty for only Cobra® supplied NiMH batteries or Cobra® FA-BP battery pack purchased in the U.S. or Canada.

## Instructions for 110 Volt Charger/Adapter for PR 950 DX and PR 1100 WX radios

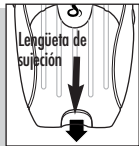

1. Remove battery cover from back of PR 950 DX or PR 1100 WX radio. Insert rechargeable batteries according to polarity markings or insert Cobra® FA-BP battery pack according to FA-BP instructions.
2. Insert round connector of 110 volt charger/adapter into radio's charge jack.
3. Plug 110 volt charger/adapter into electrical outlet.

**NOTE:** It normally takes about 12 - 15 hours to fully recharge batteries. It is not recommend to recharge batteries for more than 24 hours.

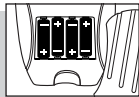

## Instrucciones

ESPAÑOL

## Instrucciones de uso del cargador y adaptador de 110 V para radios PR 950 DX y PR 1100 WX

1. Quite la tapa del compartimento de las pilas del radio PR 950 DX o PR 1100 WX. Inserte las pilas recargables de acuerdo con las marcas de polaridad, o inserte el paquete de pilas Cobra® FA-BP siguiendo las instrucciones del paquete de pilas FA-BP.
2. Inserte el conector redondo del cargador y adaptador de 110 V en el receptáculo de carga del radio.
3. Conecte el cargador y adaptador de 110 V a una toma eléctrica.

**NOTAS:** Normalmente se requieren 12 a 15 horas para cargar las pilas por completo. No es recomendable cargar las pilas durante más de 24 horas.

Utilice únicamente pilas recargables NiMH tipo "AAA" o el paquete de pilas Cobra® FA-BP. Cobra® recomienda que el radio esté apagado durante la carga. Tiempo de operación aproximado con carga completa: 15 horas.

# Limited One Year Warranty

ENGLISH

## FOR PRODUCTS PURCHASED IN THE U.S.

**COBRA® ELECTRONICS CORPORATION** warrants that its Cobra® FA-CHRGR Battery Charger, and the component parts thereof, will be free of defects in workmanship and materials for period of one (1) year from the date of first consumer purchase. This warranty may be enforced by the first consumer purchaser, provided that the product is utilized within the U.S.A.

Cobra® will, without charge, repair or replace, at its option, defective FA-CHRGR battery chargers, products or component parts upon delivery to the Cobra® factory Service Department, accompanied by the original receipt or a copy of original proof of purchase.

You must pay any initial shipping charges required to ship the product for warranty service, but the return charges will be at Cobra®'s expense, if the product is repaired or replaced under warranty.

**Exclusions:** This limited warranty does not apply;

- 1) to any product damaged by accident;
- 2) in the event of misuse or abuse of the product or as a result of unauthorized alterations or repairs;
- 3) if the serial number has been altered, defaced or removed;
- 4) if the owner of the product resides outside the U.S.

All implied warranties, including warranties of merchantability and fitness for a particular purpose are limited in duration to the length of this warranty. Cobra® shall not be liable for any incidental, consequential or other damages; including, without limitation, damages resulting from loss of use or cost of installation.

Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.
