¹ Some third party software and devices may currently have limited functionality or not be compatible with this model. Please confirm with third party vendor or manufacturer for compatibility.
² Memory Stick media sold separately. Supports ATAC3 secure audio content when used with the MagicGate Memory Stick media in capacities up to 128MB. Tested to support Memory Stick PRO media capacities up to 1GB, does not support high speed transfer, does not support access control security function, and does not support MagicGate copyright protection in Memory Stick PRO media.
³ Includes serial interface.
⁴ Software functionality provided by Picsel Viewer, a product of Picsel Technologies, Ltd.
⁵ Requires compatible 802.11b wireless access point, some of which require a fee. Use of this Bluetooth enabled device may vary as not all Bluetooth devices are compatible. If used with a Bluetooth enabled mobile phone, ISP service fees apply.
 Specifications and features are subject to change without notice.
